THE HON'BLE SRI JUSTICE L.NARASIMHA REDDY

WRIT PETITION No.23781 OF 2005

ORDER:

The petitioner was appointed as a S.G.B. Teacher on 03.10.1998 as against an un-aided vacancy in the third respondent school. She is said to be holding the qualifications of B.A., B.Ed. It is stated that her appointment was approved by the District Educational Officer, through his proceedings, dated 24.11.1998.

The petitioner contends that there is an aided vacancy in the school and that the management has submitted proposals for absorption of the petitioner against the said vacancy. Reference is also made to the proceedings dated 22.09.1999, through which the District Educational Officer forwarded the proposals to the second respondent.

The grievance of the petitioner is that the school is without a Correspondent for the last several years and that it is being handled now, by the Mandal Educational Officer and that the matter relating to her absorption against the aided vacancy, is not being pursued and she seeks appropriate directions in this regard.

Heard the learned counsel for the petitioner and the learned Government Pleader for School Education.

The proposals in relation to absorption of the petitioner against an aided vacancy, are pending for the past six years. It is for the management to pursue the matter and to obtain necessary orders. However, the school is now without any Correspondent. It is being managed by the Mandal Educational Officer. He is also functioning as an ex-officio Correspondent. He is under obligation to pursue the matter with respondents 1 and 2.

Hence, the writ petition is disposed of, directing the third respondent to pursue the matter of absorption of the petitioner against an aided vacancy in the school with respondents 1 and 2 and the latter, in turn, shall take necessary steps in accordance with law.
